

DOXIMITY DIALER

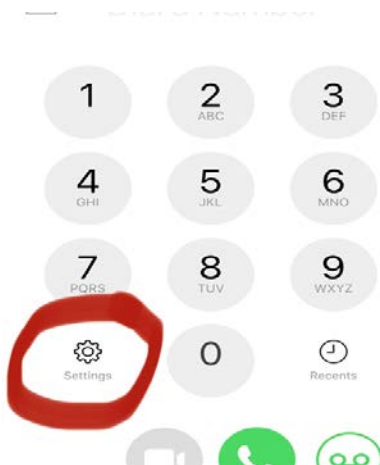

Providers can add care team members to their account, to utilize the dialer.

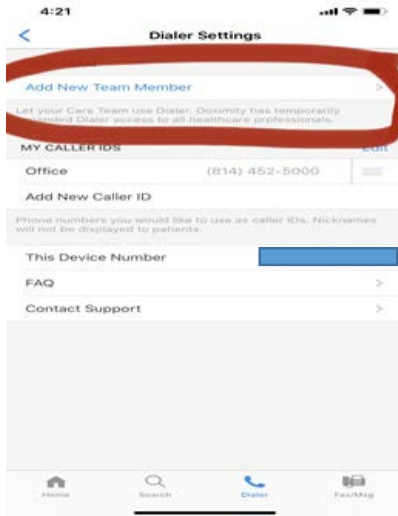

Open Physician Doximity App
Click on their photo – top right corner

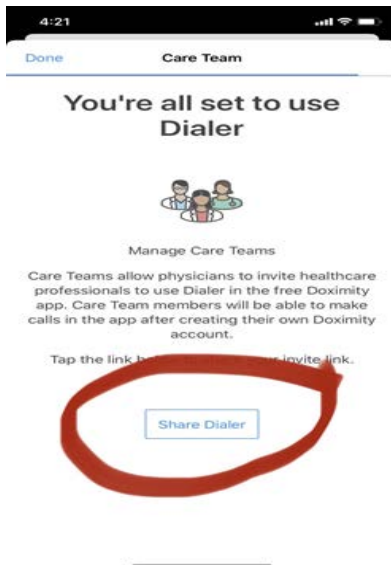

Select “Dialer” at the bottom of the screen

Select “Settings” on bottom left of screen

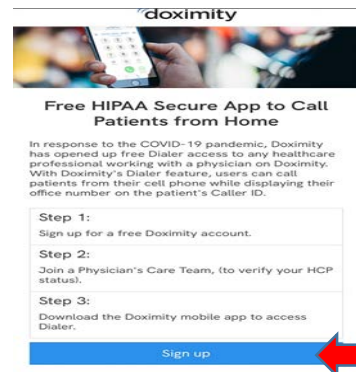

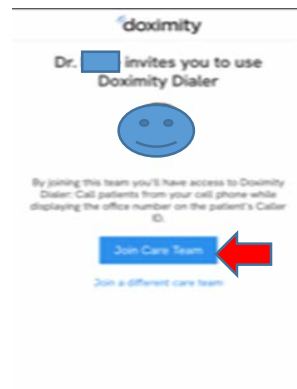

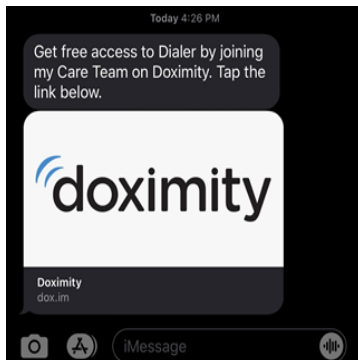

Select "Add New Team Member" at top of screen

Select "Share Dialer"

**Sending the link via text message to Care Team Member will give steps to download the app needed. Can also utilize staff email, if necessary.
